You asked why he can't keep the letter.

STAT [] tells me he was a covert type,
under cover, on a project (he could not recall
which project off hand). However, this is
standard procedure and a review would have to
be made to see whether a waiver might be in
order so that he could keep the letter. If this
STAT not enough info, [] will be glad to
review the case & outline the reasoning behind
this in relation to the SOP in such cases.
